HAIR CARE

History

Dr. Akhavi Lab is a family-owned company, established in 1990 by Dr Akhavi, developing healthcare and cosmetic products under the brand name SEAGULL.

The company produces various skin, hair and oral care products developed by the premium ingredients from famous suppliers. Using updated formulations proposed by our R&D team enable us to design and develop innovative and high quality products.

This company meets the needs of the medical community and different segments of society by manufacturing a large range of cosmetic, hair care and oral care products.

As a result of our efforts, we have achieved excellent certifications such as ISO, HALAL, SASO and recognitions by medical and pharmaceutical industries.

Our brands are classified as:

Prime & Seagull: Body, Hair and Skin Care Products

Frice & Pharmed: Oral Care Products
